

Gray-Nicolls Prestige Batting Pads - Senior - s - Rh

Canonical: <https://directory.cricketforall.com.au/sports-recreation/cricket-apparel/gray-nicolls-prestige-batting-pads-senior-s-rh/>

Description:

Dual-layer EVAZone knee protection absorbs energy for maximum impact resistance. The traditional cane construction, combined with high and low-density foam, offers superior shock absorption and vibration dampening. A padded top hat and 20mm foam wing deliver exceptional side impact protection. The leg-hugging design features extra-long, cotton-lined foam bolsters for enhanced comfort and durability. Extra-wide, adjustable cushioned calf and ankle straps ensure a secure, comfortable fit, while ankle foam adds extra stability and comfort.

Gray-Nicolls Prestige Batting Pads - Senior Technical Details & Specifications ## Product Overview
The **Gray-Nicolls Prestige Batting Pads - Senior A - LH** is a premium senior-level cricket batting pad designed to deliver exceptional protection and comfort for experienced players. While the specific product variant may vary in handedness orientation, the Prestige line represents Gray-Nicolls' commitment to high-performance protective equipment. ## Key Technical Specifications ### Protection Technology **Dual-Layer EVAZone Knee Protection** The pads feature dual-layer EVAZone knee protection that absorbs energy for maximum impact resistance, ensuring superior protection during intense match play. **Traditional Cane Construction** Built with traditional cane construction reinforced by high and low-density foam, providing superior shock absorption and vibration dampening throughout the pad structure. ### Structural Features **Padded Top Hat** A padded top hat delivers exceptional protection to the upper knee region, shielding against direct impact from fast-moving deliveries. **20mm Foam Wing** The inclusion of a 20mm foam wing provides exceptional side impact protection, crucial for defending against short-pitched deliveries. **Leg-Hugging Design** The pads incorporate a leg-hugging design that ensures optimal fit and mobility, allowing batsmen to move freely at the crease while maintaining comprehensive coverage. ### Comfort & Durability Elements **Cotton-Lined Foam Bolsters** Extra-long, cotton-lined foam bolsters enhance comfort and durability, providing cushioning

against the leg while extending the product lifespan. **Adjustable Calf and Ankle Straps** Extra-wide, adjustable cushioned calf and ankle straps ensure a secure, comfortable fit tailored to individual player preferences. **Ankle Foam** Dedicated ankle foam adds extra stability and comfort, reducing fatigue during extended batting sessions. **Performance Characteristics** - **Impact Absorption**: Superior shock absorption through dual-density foam construction - **Vibration Reduction**: Enhanced vibration dampening for reduced impact on the batsman's legs - **Stability**: Secure fit through adjustable straps and ankle foam support - **Comfort Rating**: Designed for all-day comfort during competitive play **Price and Availability** **Price:** 139.99 AUD **Availability:** Out of Stock **Product Category** **Category:** Sports & Outdoors --- **References** - [1] Gray-Nicolls Prestige Batting Pads - Senior A - LH
