GRAY-NICOLLS GN 600 BATTING GLOVES - JUNIOR SJ / LH: Technical Details & Specifications
Product Overview The GRAY-NICOLLS GN 600 Batting Gloves represent a mid-range junior cricket batting glove designed to deliver a balance of protection, comfort, and durability for younger players developing their cricket skills. ## Technical Specifications ### Design & Construction **Section Configuration:** The gloves feature a **12-section design** with **pre-curved fingers** that enhance overall comfort and provide a natural fit for junior players. This anatomically-informed construction allows for easier hand positioning and reduced fatigue during extended use. **Padding System:** A strategically layered combination of **high and low-density foam** offers comprehensive shock absorption and vibration dampening capabilities. This dual-density approach ensures that impact forces from fast bowling are effectively distributed across the padding surface, reducing strain on the hands and wrists. ### Protective Features **Thumb Design:** The gloves incorporate a **super-flex two-piece thumb** that provides exceptional comfort and enhanced flexibility. This design element allows for natural thumb movement while maintaining structural support during batting. **Palm Construction:** **Quality leather palm** ensures superior durability and maintains an excellent grip on the bat handle, even during extended play or in humid conditions. **Ventilation System:** **Mesh gussets** are strategically integrated throughout the glove structure to allow for optimal air circulation, preventing heat buildup and maintaining breathability during active play. ## Comfort & Moisture Management Features **Sweatband Technology:** **Dual-sided sweatbands** enhance moisture absorption and management, keeping the player's hands dry and comfortable throughout the game. This feature is particularly important for junior players who may be developing sweat management habits during play. ## Product Information **Brand:** GRAY-NICOLLS **Category:** Sports & Outdoors **Size Specification:** Junior SJ / Left-Hand (LH) **Availability:** Out Of Stock **Price:** 39.99 AUD **Product URL:** https://www.cricketforall.com.au/products/graynicollsgn600-juniorbattinggloves?variant=47097140084987&country;=AU¤cy;=AUD&utm;_medium=product_sync&utm;_source=google&utm;_content=sag_organic&utm;_campaign=sag_organic ## Market Position The GN 600 Batting Gloves occupy a competitive mid-range position within GRAY-NICOLLS' junior batting glove lineup. At the 39.99 AUD price point, they represent an excellent value proposition for junior players seeking reliable protection and comfort without premium-tier pricing. ### References - [1] Cricket For All - [2] GRAY-NICOLLS GN 600 Batting Gloves - Junior SJ / LH
